WORK EXPERIENCE

Davistopia Consulting: 02/2022 - present
Position: Salesforce Developer
Description: I manage the entire process of website design and development for projects varying in scope. I provide performance metrics and trend reports to management, aiding in overall operations and educated clients on new product capabilities.

Williams Concrete: 02/2015-07/22
Position: Concrete Pump Operator
Description: I pumped multiple levels concrete projects ranging from residential to commercial. I also ensured pumps were maintained and focused on ensuring the overall efficiency of the fleet.

English Mt Trout Farm: 01/2012-04/2022
Position: Trout Cutter
Description: I cut trout, maintained the property, and met the demand of local restaurants trout orders which increased sales through up-selling and cross-selling of additional products and services.

Riverside Turf: 03/2017-11/2018
Position: Sod Crew Supervisor
Description: I managed and trained a sod installation crew of 5 employees.
I increased company revenue by managing the strategic relationship with the company's two largest clients.
